

# Trends in Language Teaching 2020

with David Beglar

## めんそーれ！ Men-so-re!

Welcome! to the **Trends in Language Teaching** conference, an annual event featuring a leading academic keynote speaker and poster presentations about current developments and insights in the modern foreign language field. Submissions are vetted through a double-blind peer review. Previous events have welcomed scholars from all over Asia and the world to share their knowledge.

Our Keynote Speaker is **Dr. David Beglar**, Temple University, who will speak on "Improving Students' Speaking Performances through Scaffolding". Join us.
